Drama Queen

you draw black lines  
around your eyes  
your tight black dress  
fits your size

be the girl  
you want to be  
be the girl  
a drama queen

left them before sunrise  
left them before sunrise  
left them before sunrise  
left them before sunrise

you wear black boots  
walk on heels  
you spend all nights  
all these guys

be the girl  
you want to be  
be the girl  
a drama queen
